Strategy + Process Improver | People Champion | Team Builder

February 16, 2024, Kelsie managed Jennifer directly

I directly managed Jen for 1.5 years in a role focused on B2C Marketing. She is a team player, has a positive attitude, and is hungry for knowledge. Jennifer's organization skills are second to none. She excels in project management and finds joy in streamlining and automating processes. If given the opportunity, I will gladly work with her again in the future.
